

"Reading, like no other medium, can transform your life in a flash, and you never know which book, at which time in your life, might be the one that rocks your world and inspires you to grow in ways you never thought possible."

~Burke Hedges.

Why Reading is Important

1. Reading creates a positive self image.
2. Reading is a crucial skill in order to function in today's society.
3. There is a strong correlation between reading and vocabulary knowledge. Students who have a large vocabulary are usually good readers.
4. The brain is a muscle that needs to be exercised, practice, practice, practice.
5. Reading explores our imagination and takes us to places far away. It relaxes and calms the mind.
6. Children who are better readers are better in all subjects across the curriculum.
7. Improves concentration.
8. A vital skill in finding a good job.
9. Allows you to discover and learn new things.
